Treasurer's report: Read by Patty

Starting balance in the St. Bridget's Women's Oper. Acct. in March was \$14,597.62, and \$443.10 in petty cash. There was about \$238.00 taken in through donations at our Lenten supper but there is a little confusion over the amt of the expenses, \$93.67? Three church window books were sold by Ruth for an additional deposit of \$30.00. The balance is around \$14, 533.95, in the oper. acct., but Patty will check with Ruth to sort out the confusion. The petty cash balance stayed the same and the lunch acct. balance is \$343.00.
